### IBM Cloud Account:

The screenshot displays the IBM Cloud dashboard interface. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and links for 'Catalog', 'Manage', and the user profile 'SukhithKumar07'. The main content area is titled 'Dashboard' and features a 'For you' section with several quick-start guides: 'Build', 'Explore IBM Cloud Shell', 'Get Started with the CLI', 'Get Started with Watson Studio', 'Choose a Database', and 'Create an app from the CLI'. Each guide includes a brief description and a 'Getting started' button with a time estimate. Below this, there are four more sections: 'News', 'Recent support cases', 'Planned maintenance', and 'IBM Cloud status', each with a 'View all' link. The 'News' section lists several articles, including 'Introducing Badges to IBM Cloud Certification' and 'Announcing IBM SevOne Network Performance Management Version 6.4'. The 'Recent support cases' section shows a list of cases. The 'Planned maintenance' section is currently empty. The 'IBM Cloud status' section displays a world map with a blue chat bubble icon in the bottom right corner.
